

# Dear Dayton Resident,

The City of Dayton is serious about improving the cleanliness of your neighborhoods. Changes made to our collection program have significantly reduced the number of days that unsightly bulk waste set-outs are allowed in a neighborhood. We have listened to your comments and, in response, will begin moving toward a more aggressive ticketing campaign for those who set out bulk items incorrectly. Those who place their bulk waste out without scheduling, before the designated time, or in a manner that seriously impacts the health and safety of a neighborhood will be subject to a fine. Please save yourself time and money — plan for those cleaning activities and schedule your pick-up accordingly.

We also want to encourage you to recycle. If you need an additional container or information about how to begin recycling, please call 333-4800. It is important to actively participate in keeping unnecessary trash out of the landfills and reusing available resources.

## Bulk Waste Guidelines

- Call first and schedule 333-4800.
- Set out after 3:00 p.m. the day before your scheduled pick-up.
- Separate metal items (stoves, chairs) from other bulk items.
- Bundle or bag all small items.
- Tie brush or tree limbs in bundles not heavier than 25 pounds or larger than 4 feet long and 18 inches in diameter.
- Do not set out grass clippings.
- Do not set out concrete, rocks, bricks, sand, gravel, hazardous waste or construction material.
- Four pick-ups allowed per year. One pick-up equals materials measuring 4ft. x 8ft. x 4ft. in size.

# ITEMS YOU SHOULD RECYCLE...

The City of Dayton now accepts the following materials for recycling:

- Magazines and catalogs
- Plastic bottles #1 - #7
- Telephone books
- Aluminum cans
- Steel containers (food cans)
- Glass bottles, jars and containers
- Newspapers

(These are the only items that should go into your recycling container)

## Please Remember... Dayton Recycles Today for a Better Tomorrow!

...**RINSE** containers

...**REMOVE** and discard caps and lids

...**NEWSPAPERS** may now be placed in your recycling container

Leave your recycling containers **at least five feet** from your trash container on your trash pickup day.

*(Sorry, we do not provide recycling services to commercial businesses.)*

## Questions?

**Call  
333-4800**

CUT OUT & SAVE CALENDAR ✂

### Recycling schedule for Zone 1 (gray) & Zone 2 (orange)

Your bi-weekly recycling pick-up will occur on your normal waste collection day during the weeks outlined in **gray for Zone 1** or **orange for Zone 2** on the calendar below. Please clip and save this calendar as an easy way to remember which days your recycled materials will be collected in 2007 - 2008. (See neighborhood zones on next page)
